INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Children's Trust, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Children's Trust, Inc. ("Organization"), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Trust, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 1 - NATURE OF THE ORGANIZATION

Children's Trust, Inc. ("Children's Trust" or the "Organization") was incorporated on July 1, 1991, as a non-profit organization under Chapter 180 of the Commonwealth of Massachusetts General Laws. The Organization's sole purpose is to leverage private funding to support the programs of the Children's Trust Fund ("CTF"), an agency created in 1988 by the legislature of the Commonwealth of Massachusetts. This unique public-private partnership's single mission is the prevention of child abuse and neglect.

CTF leads statewide efforts to prevent child abuse and neglect by supporting parents and strengthening families. CTF is funded annually by legislature appropriations and Federal grant revenues. It is governed by a Board of Directors, which is comprised of the Commissioners and Secretaries of all state agencies that serve children and families as well as lawyers, pediatricians, psychologists, teachers, business leaders and other related professionals. This Board is separate and distinct from the Board of Children's Trust; however, the unique partnership allows both Boards to work in conjunction with one another in order to meet the collective goals of both entities. This partnership allows Children's Trust and CTF to share infrastructure, management and programmatic costs, thereby maximizing efficiency in furtherance of the joint mission of both entities.

As an umbrella organization, CTF funds, evaluates and promotes the work of over 100 agencies that serve parents. Supported by State, Federal and private funding, CTF invests in Massachusetts' most precious resource: children and their families. CTF also raises public awareness about child abuse and neglect, spearheads efforts to train family support providers, brings public and private organizations together to work on behalf of families and children and educates public policy makers. The support garnered through Children's Trust generates private funds to support prevention programs not funded, or under-funded, through CTF's public dollars.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of Children's Trust are prepared on the accrual basis of accounting. Accordingly, revenues and support are recognized when earned and expenses are recognized when the liability for goods and services is incurred regardless of the timing of the related cash flows.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADOPTION OF RECENTLY ISSUED ACCOUNTING STANDARDS

In June 2018, the FASB issued ASU No. 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made ("ASU 2018-08"). The purpose of ASU 2018-08 is to provide guidance in evaluating whether transactions should be accounted for as contributions or exchanges. In addition, the update introduces the concept of barriers in providing additional guidance on identifying conditions that would preclude the recognition of a contribution as revenue. The Organization adopted ASC 2018-08 on July 1, 2019. The results of applying ASC 2018-08 using the modified prospective approach did not have a material impact on the financial positon, changes in net assets, cash flows, business processes, controls or systems of the Organization.

FINANCIAL STATEMENT PRESENTATION

Children's Trust has presented its financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for not-for-profit organizations. Under this guidance, Children's Trust is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions represent those assets not subject to donor-imposed restrictions. Restricted gains and investment income and donor-restricted contributions whose restrictions are met in the same reporting period are also classified as net assets without donor restrictions.

NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions represent those assets that are subject to explicit or implicit donor-imposed stipulations for use in various programs and/or for a specific period of time. These donor restrictions can be temporary in nature in that they will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. Generally, the donors of these perpetually restricted assets permit the Children's Trust to use all or part of the income earned on the investments for general or specific purposes.

CASH AND CASH EQUIVALENTS

For purposes of the statements of cash flows, Children's Trust considers money market mutual funds and all highly liquid debt instruments with a maturity of three months or less when purchased to be cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 13 for the discussion on fair value.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment income includes interest and dividend income and realized and unrealized gains and losses on investments bought and sold as well as held during the year.

EQUIPMENT, NET

Purchases are determined to be capital expenditures based on Children's Trust's policy of capitalizing assets acquired at a cost (or, if donated, at fair value) exceeding \$1,500. Those items which are not determined to be capital expenditures are charged to expense. Expenditures that significantly increase asset values or extend useful lives are capitalized. Upon retirement, sale or other disposition of equipment, the cost and accumulated depreciation are eliminated from the accounts, and gains or losses are included in the statements of activities and changes in net assets.

IMPAIRMENT OF LONG-LIVED ASSETS

Long-lived assets to be held and used by Children's Trust are reviewed for impairment when events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets.

The fair value of the asset is measured using either available market prices or estimated discounted cash flows. There were no impairment charges taken during the years ended June 30, 2020 and 2019.

DONATED ASSETS

Donated investments and other non-cash donations are recorded at their estimated fair values at the date of donation.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

DONATED EQUIPMENT

Donated equipment is recorded as a contribution at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as donor restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, Children's Trust reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Children's Trust reclassifies them from net assets with donor restrictions to net assets without donor restrictions at that time.

CONTRIBUTIONS AND GRANTS

Children's Trust recognizes unconditional contributions and grants when received or unconditionally pledged. Unconditional contributions and grants received are recorded as support with or without donor restriction depending on the existence or absence of donor imposed restrictions. Unconditional contributions and grants which are restricted for use whose restrictions are met in the same reporting period are reflected as support without donor restriction in the statements of activities and changes in net assets.

PROGRAM FEES AND OTHER

Program fees and other revenue is reported in the period in which services are performed.

SPECIAL EVENTS

Children's Trust recognizes special events revenue from exchange transactions, primarily event sponsorships and registrations, at the point in time when the event occurs. During the years ended June 30, 2020 and 2019, support received from special event efforts amounted to \$429,094 and \$581,168, respectively; for the same periods, the total cost of all special events activities amounted to \$107,654 and \$127,541, respectively. Sponsorships and registrations received prior to an event are recorded as deferred revenue until such time as the event occurs.

INCOME TAX STATUS

Children's Trust is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code"). Children's Trust, however, is subject to the tax on unrelated business income, if any such income exists. Children's Trust had no unrelated business income during the years ended June 30, 2020 and 2019.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INCOME TAX STATUS (CONTINUED)

Children's Trust recognizes and measures its unrecognized tax positions and assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax positions is adjusted when new information is available, or when an event occurs that requires a change. Interest and penalties associated with unrecognized tax positions, if any, would be classified as interest expense and additional income taxes, respectively, in the statements of activities and changes in net assets. Children's Trust did not identify any uncertain tax positions at June 30, 2020 and 2019. Children's Trust is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods pending or in progress.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing Children's Trust's various programs and activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Salaries are allocated based on an analysis of personnel time and effort. Costs of activities are allocated based upon direct identification.

RISKS AND UNCERTAINTIES

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. The Organization continues to monitor the outbreak of COVID-19 and the related business and travel restrictions and changes in behavior intended to reduce its spread. While it is reasonably possible that the virus could have a negative impact on the results of operations, the specific impact is not readily determinable at this time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECLASSIFICATIONS

Certain amounts in the prior year financial statements have been reclassified to conform to the presentation in the current year financial statements with no effect on previously reported change in net assets.

SUBSEQUENT EVENTS

Children's Trust has evaluated subsequent events through February 22, 2021, the date these financial statements were available to be issued, and has determined that no events were identified which require adjustment or disclosure in the accompanying financial statements.

NOTE 3 - INVESTMENTS

Fair values and unrealized appreciation on investments at June 30, 2020 and 2019 are summarized as follows:

NOTE 4 - PROMISES TO GIVE

At June 30, 2019, promises to give were due in full within twelve months of year end. Management believed an allowance for uncollectible grants receivable and promises to give was unnecessary at June 30, 2019. There were no outstanding promises to give at June 30, 2020.

NOTE 5 - NET ASSETS

WITHOUT DONOR RESTRICTIONS

The investments of net assets without donor restrictions for the years ended June 30, 2020 and 2019, respectively, consist of equities, mutual funds and bonds totaling \$1,373,968 and \$1,346,652, and money market funds and cash totaling \$54,239 and \$59,693 to be used at the discretion of the Board. The Board has designated these funds for endowment purposes.

WITH DONOR RESTRICTIONS

NOTE 7 - IN-KIND CONTRIBUTIONS AND CONCENTRATIONS

There were no in-kind concentrations or other concentrations from one donor or vendor for the years ended June 30, 2020 and 2019.

The in-kind contributions and corresponding expenses have been recorded at their fair value. For the years ended June 30, 2020 and 2019, total in-kind contributions were \$69,656 and \$150,857, respectively. In addition, approximately 39% and 42% of total revenue was derived from one major fundraising event for the years ended June 30, 2020 and 2019, respectively.

NOTE 8 - RELATED PARTY TRANSACTION

The Organization received \$11,037 and \$25,528 of in-kind legal services from the law firm of a member of the Board of Directors during the years ended June 30, 2020 and 2019, respectively.

NOTE 9 - CONCENTRATION OF CREDIT RISK

Children's Trust maintains cash deposits at three institutions located in Massachusetts. Deposits at these institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000 per depositor. At certain times during the year, deposits at these institutions may have exceeded the insured amount. No losses have been incurred due to banking activities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 9 - CONCENTRATION OF CREDIT RISK (CONTINUED)

Investment concentration of credit risk consists of investments in equities, mutual funds and bonds. These investments are not insured by any governmental agency and are subject to loss of principal. At June 30, 2020 and 2019, Children's Trust's carrying amount of these investments totaled \$1,604,898 and \$1,577,582 respectively.

NOTE 10 - PENSION PLAN

Children's Trust has adopted a SIMPLE-IRA plan under Internal Revenue Service Code 408 (P). Employees may contribute to the plan a percentage of pretax annual compensation, as defined in the plan, up to the maximum amount allowed under the provisions of the Internal Revenue Code. Under the plan, Children's Trust contributes 100% of the employees' elective deferral up to 3% of wages. Contributions totaling \$1,909 and \$1,540 for the years ended June 30, 2020 and 2019, respectively, were made by Children's Trust, in addition to the elective deferrals made by employees.

NOTE 11 - RISKS AND UNCERTAINTIES

Children's Trust invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the carrying value of the investments reported on the statements of financial position.

NOTE 12 - ENDOWMENT

Children's Trust's endowment consists of two individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments.

As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

INTERPRETATION OF RELEVANT LAW

The Board of Directors of Children's Trust has interpreted the Massachusetts version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") and Massachusetts General Law Chapter 180A as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 12 – ENDOWMENT (CONTINUED)

INTERPRETATION OF RELEVANT LAW (CONTINUED)

As a result of this interpretation, Children's Trust would classify as donor restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in donor restricted net assets would be classified as donor restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by Massachusetts Law Chapter 180A. In accordance with UPMIFA and Massachusetts Law Chapter 180A, Children's Trust considers the following factors in making a determination to invest or appropriate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of Children's Trust and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of Children's Trust
- (7) The investment policies of Children's Trust

RETURN OBJECTIVES AND RISK PARAMETERS

Endowment assets include those assets of donor-restricted funds that Children's Trust must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in money market accounts, mutual funds, bonds and equity securities, assuming a moderate level of investment risk. Children's Trust expects its endowment funds, over time, to exceed a composite benchmark index comprised of market indices weighted in proportion to Children's Trust's asset allocation policy. Actual returns in any given year will vary.

STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES

Children's Trust has increased allocation of its assets to money market accounts as a conservative measure in order to protect the principal of the endowment funds.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires Children's Trust to retain as a fund of perpetual duration. The Children's Trust has a policy that permits spending from underwater endowment funds depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations. There were no such deficiencies as of June 30, 2020 and 2019.

NOTE 13 - FAIR VALUE MEASUREMENTS

FAIR VALUE HIERARCHY

Children's Trust uses a fair value hierarchy established by U.S. GAAP that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- **Level 1** Valuation is based on quoted market prices in active markets for identical assets that Children's Trust has the ability to access at the measurement date.
- Level 2 Valuation is based on inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. The valuation must be based on quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset.
- **Level 3** Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety, is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in these methodologies used during the years ended June 30, 2020 and 2019.

Corporate Stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available or comparable securities of issuers with similar credit ratings.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by Children's Trust are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by Children's Trust are deemed to be actively traded.

Children's Trust has a policy to structure its financial assets to be available to meet its general expenditures, liabilities and other obligations as they become due. Children's Trust monitors its liquidity so that it is able to meet its operating cash needs. In addition to financial assets available to meet general expenditures over the year, Children's Trust anticipates covering its general expenditures by collecting sufficient supporting revenue. The statements of cash flows identifies the source and uses of the Children's Trust's cash and shows net cash provided by operating activities of \$170,969 and \$258,102 for the years ended June 30, 2020 and 2019, respectively.
